Copyright Free Stand Design to Suit You...

How it works...

- We'll send you a "brief" sheet to complete
- Our experienced Designer team will prepare conceptual 3D visuals for initial review
- You can make any amendments to the initial design free of charge. Subsequent changes and CAD plans incur an hourly rate of £45.00
- When you are entirely satisfied we'll release the copyright and remove watermarks

Prices based on stand budgets...

- | | |
|---------------------------------------|------|
| ● £0 - £5000 & shell scheme interiors | £250 |
| ● £5000 - £10,000 | £300 |
| ● £10,000 - £20,000 | £350 |
| ● £20,000 - £30,000 | £400 |
| ● £30,000 and above | £poa |

Copyright Free Design Service...

- Cost effective & creative concept visuals
- See your actual graphic applications as they appear in reality
- Freedom to provide concept visuals & CAD drawings to third parties for competitive pricing
- Starting from as little as £250 per design (see reverse for details)

Copyright Free Design Service...

- 30 years' experience in the industry
- Not just exhibition stands, we design showrooms, shopfits, receptions, point of sale and much more
- Save £1000's by obtaining competitive tenders on the same design
- Your corporate branding on the presentation pack

Copyright Free Design Service...

- Send plan submissions without compromise
- See actual products & displays in design to ensure accurate suitability and sizing
- Full working drawings & CAD files supplied for workshop and/or CNC machining
- Talented Designers that listen to your requirements

Custom Built Exhibition Stands to Suit You...

How it works...

- We'll send you a "brief" sheet to complete
- The team will openly discuss your project and communicate any queries accordingly
- Our experienced Designers will prepare 3D concept visuals & CAD layouts for your review
- Your feedback will be welcomed and we'll make any appropriate alterations
- When you are completely satisfied, we'll present a comprehensive proposal including quotation, specifications, samples & work schedules
- Upon approval, relax in the knowledge that your project will continue with professionalism and courtesy throughout!

Custom Built Exhibition Stands...

- 30 years' experience in the Industry
- Complete turnkey service from design through to completion
- Creative design & concept visuals from people who listen to your requirements
- Exceptional quality & service at every level

Custom Built Exhibition Stands...

- One to one service throughout the entire project
- On site supervision and sign off walkaround to ensure complete satisfaction
- In house construction throughout UK & Europe plus service partners in USA, Asia & Middle East
- 1000's of satisfied clients both small & large

Custom Built Exhibition Stands...

- Attentive & professional tradespeople
- Vast inventory of ancillary services including Furniture, Graphics, Audio Visual, storage etc
- All H&S documentation submitted including risk assessments, method statements, CPP etc

Modular Exhibition Stands to Suit You...

How it works...

- We'll send you a "brief" sheet to complete
- Our experienced Design team will prepare conceptual 3D visuals for your stand
- Hire from our stock or purchase components outright. Then use our dedicated installation crew or simply install yourself
- If installing yourself, we'll provide step by step instructions and a CAD layout drawing
- Enjoy elevating your presence with a creative, cost effective solution which can be used repeatedly
- And of course, we'll help with all aspects of your exhibition stand including floorcoverings, furniture, graphics, electrics, planning etc...

Modular Exhibition Stands...

- Cost effective and visually stunning solutions
- Creative design service with 3D rendered visuals and component layout CAD drawings
- Full service partner to Tecna T3 displays providing the most versatile modular system there is!
- Re-usable, effective and eco friendly

Modular Exhibition Stands...

- Compact transportation, can even fit in a car
- T3 is not just for exhibition stands, create counters, merchandisers, pop up shops, the list is endless.
- Entirely adaptable for both space only sites and shell scheme interiors
- Floor to ceiling, seamless graphic opportunities.

Modular Exhibition Stands...

- Numerous accessories to fulfill most applications
- Hire or buy, self install or use our experienced installation crews, the choice is yours!
- Easy, self explanatory, systematic installation with straight forward instruction manuals
- Absolutely no tools required.
